

AAA

The mission of the Team COBRAS organization is to provide an opportunity for youth hockey players to challenge themselves to develop and refine their personal skills during their off season.

Unlike conventional youth hockey programs which place the emphasis on competition, the Team COBRAS program will focus on education, character and player development through structured, regular practices under the direction of some of the most experienced professional coaches in the region!

All practices will be held at Wonderland of Ice in Bridgeport, CT Connecticut's Premier twin hockey rink facility.
